

DEPONTI

THE BEST AT HOME

## Pinela Deluxe; Aluminium Louvered Roof Enjoy the convertible effect in your own garden

A unique experience is guaranteed with the stylish Pinela Deluxe from Deponti. The panels of this pergola can easily be moved to one side with the push of a button. This gives you a completely open space above your terrace in no time. Allowing you to experience the ultimate outdoor feeling regardless of the weather.

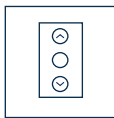

In an open position, the Pinela Deluxe offers maximum light. When closed, the roof is perfectly resistant to various weather conditions and offers you shade on sunny days.

# Pinela Deluxe

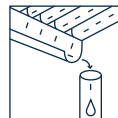

With the Pinela Deluxe you create an outdoor space with a modern design that offers protection against sun, wind, rain and other elements. This ensures you of an exceptional quality of outdoor living. The design of the panels is developed with the latest in technology.

When the synchronous moving panels slide open, a large open space is created above your terrace. When closing, the panels press simultaneously on the gasket of the integrated beams and thus ensuring optimum insulation.

### Automatic operation

The Somfy automatic control system ensures that you can operate the retractable roof with one push of a button.

### Effortless drainage

Thanks to the integrated gutter in both the roof and the panels, water accumulation is prevented.

### Maximum light

When the panels are fully opened, an open space up to 80% of the total roof is created.

### Protected against the weather

Because the panels close with a synchronous movement on the integrated beams, optimum insulation against wind and weather is guaranteed.
